Registration opens December 15th  
[www.blessedgirl.org](http://www.blessedgirl.org)

Emcee  
Melissa  
Gaona

Keynote Speaker  
Lindsey  
Kight

Singer/songwriter Melinda Isley adores the Lord and shares that passion through her life in worship. She released her debut album JOURNEY in 2020. It featured the Billboard hit "Sweeter". Melinda dedicated her single "Sit with Me" to her late father, Brian, honoring her deepest encounters with the Lord during the process of his passing. Her testimony speaks to the truth that God makes beauty from ashes. Her life is a songbook of hills and valleys that she has prayed through, endured and risen to overcome. Through her music ministry, her message is "God works all things together for our good as we love Him and walk in our calling for His purpose."

Lindsey Kight is a worship leader, Bible teacher, and educator. She received her Bachelor's degree from Liberty University in Education and her master's degree at Old Dominion University in Educational Leadership. Lindsey's calling is to raise up a confident generation for Christ through practical teaching of God's Word; to learn who they are in Christ, commit their lives to Jesus, and spread His Word throughout their community. She leads worship in her local church and around the east coast for various conferences, and has released one worship album, two singles, and is working on a new music project, releasing in 2023.
